

Hello, I'm Jinhee Kwon.

I wanted to take a moment of your time to introduce myself.
I am Jinhee Kwon, a design supervisor with a passion for just about everything in the world.

Shortly after graduating SVA, I got my first job as an art director at Bates NY. Currently, I work on a variety of accounts at Publicis Groupe including Healthcare, Banks, etc...

The human narrative of the business in the tangible experience of the product. I think of brands holistically as the intersection of business, products, services and experiences, and not just as communication platforms.

I would love to be part of your team to improve myself and at the same time, I can have a great chance to explore my skills, which are matching your requirements where I can showcase my technical skills to contribute to the company growth.

I am looking for new opportunities and was hoping we might be able to work together. I invite you to visit my website where you will find examples of my work and my detailed resume: **kwonjinhee.com**

I look forward to hearing back from you soon.

Sincerely,

Jin Hee Kwon
